

MERCWORKS

Daniel

I started another  
electrical fire.

Huh! Didn't even  
blow a fuse.

Seems like now's as good a time as any to wrap up  
Operation Fix the Shared Wall, don't you think?

We can't  
stop now!

We didn't even  
finish painting!

What are you kiddin' me? Mitchell's gonna love it.

Do you love it Mitchell?

No.

Are we still  
evicted?

...I guess not.

I think we're  
done here.
